### **Public Section Pensions**

Thank you for your letter of 22<sup>nd</sup> September 2008 regarding the above. My views on this matter are quite clear, I do not believe that Government should unilaterally set out to change the terms and conditions which have been fully entered into by the two sides in terms of pension arrangements. I have been contacted by the Isle of Man Trades Council regarding this matter and I have been told that I was the first person to respond by e-mail and they are going to post my comments onto their site along with any other MHKs who respond.

If you require any further clarification, please feel free to contact me at any time. Should you do wish to make an appointment, please contact

I enclose for your information a copy of a letter, which has been circulated to Members of Tynwald by the Chief Minister on this matter. I did meet with the Chief Minister to discuss this matter approximately 10 days ago and I have made it quite clear to him what my position is.

Yours sincerely

Hon D Cretney MHK
