

# Government Officers' Association Prospect Discount Scheme

Up to date details are available from our website [www.iomgoa.co.uk](http://www.iomgoa.co.uk) – listed under discounts. Please CHECK for the latest details and offers which may supersede those listed in this quick reference list, and which give fuller details of the discount and how to obtain it.

Most discounts are available by advising the relevant business you wish to use the discount before you buy, and on production of a Prospect membership card. If you do not have a card, you can email us on [goa@manx.net](mailto:goa@manx.net) to request a new card.

Most discounts do not apply where items/services are on sale or special offer already but it's worth checking.

Please contact us if you have any leads for new discounts for the scheme – we are always seeking new discounts to enhance our scheme. All members of Prospect can take advantage of the discount scheme.
