Mr B J Moffatt
President
Isle of Man Trades Council
Transport House
25 Fort Street
Douglas Isle of Man

Dear Mr Moffatt

With reference to the recent letter which was sent from the Trades Council, I was pleased to attend the meeting with a number of your colleagues on 09 October 2008.

I have also taken up the issue with the Chief Minister and a number of Members have expressed concerns to the Chief Minister and to the Personnel Department and to that extent we have signed a joint letter from the six members of Tynwald asking for an extension of time for the Superannuation Act 1984 consultation purposes which was granted. You can be assured that I and my colleagues will be inquiring into any concerns that are raised with us regarding pension entitlements.

On another point, we will not know the full contents of the Hymens Robertson report until December 2008, when a copy will be given to Members and we would expect the Council of Ministers to give full consultation to the report, together with any implications there would be, if any recommendations were to come forward.

Please feel free to contact me at any time should you wish to discuss this matter.

Yours sincerely

Graham Cregeen MHK
